Even though it has been a more than succesfull introduction of the hardstyle event Madnezz in March 2013, this event cannot take place due to external circumstances this year. But there might also be an advantage, because UHM can present another concept to fulfill the wishes of Freestyle lovers: Basic Movements the Freestyle Xperience.

A top production and freestyle line-up with some exclusive entertainment make sure this night will be lifted to a higher level.

-Dr.Rude (Decibel - Daydream Festival)
-Zany (Hardbass - Alcatrezz Festival)
-Bass D (Mindcontroller – Dominator)
-Playboyz (The Qontinent - Defqon. 1 Festival)
-Pat B (Bassleader - Freestyle Academy)
